All, in general

Agreement with respect to the claims f) ☒ was reached. g) ☐ was not reached. h) ☐ N/A.

Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Discussed amendments to the claims to help overcome the rejections of record. Applicant would like to present the claimed product (pine extract) in all independent claims as a product-by-process similar to the product-by-process pine cone extract recited in the allowed claims of copending Application 10/000,476. The examiner indicated that this would likely overcome the prior art rejections of record, however the examiner stated that claims amended as such would require additional searching and/or consideration and, thus, suggested that Applicants file an RCE, which they plan to do shortly.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
